## Project Linus

### Become a Blanketeer!

The 2008 Belleville Diocesan Service Project challenges everyone to go beyond the normal service project. This year we want YOU to make a HOMEMADE quilt or tie blanket for a child in need. Not only can You make a quilt, you can ask your parish groups, classmates, and families to help be blanketeers! A brochure is enclosed providing details on PROJECT LINUS. Other information is available on [www.projectlinus.org](http://www.projectlinus.org).

Blankets for this year's service project will be collected upon arrival at the Conference.

More details will be available in your conference confirmation Packet!!!
